

# ASTARA LIGHT

Elevating Spiritual Consciousness

YOUR MONTHLY BLESSING

## NOVEMBER BLESSING

“May your thoughtfulness and generosity become a center of expanding light in the world.”

## AFFIRMING MEDITATION

May the light of my life blend harmoniously with the Infinite Light...and a better way of life for myself, and others, thereby be revealed. -Robert Chaney

## DO UNTO OTHERS

“Today humanity would need no ethics, no scriptures, no priests, no religion, no churches, were we only to apply this one teaching of the Christ spirit in our lives.

For it embraces all. Love transcends any of these. It is above religion, above ethics, above morals. To know this love is to know God.

The whole of life is based upon the law of love. There is nothing higher for indeed, God is love and love is God. The Universe is built upon it and... it is the force which binds the universe together.”

First Degree Lesson 8
