YOUR MONTHLY BLESSING

NOVEMBER BLESSING

“With our expression of gratitude for your presence on this earth plane we send you a blessing from the Heart of Astara. It is wrapped with love and tied with ribbons of appreciation.”

AFFIRMING MEDITATION

My needs above my own understanding are known on the Higher Planes
and I ask that they be fulfilled. -Robert Chaney

ASTARA IS GRATEFUL FOR YOU

Here at Astara we are grateful for so many things. While entering Astara's 70th year anniversary we are grateful to be able to share the Light in many new and inclusive ways. Thank you all for your loving and positive feedback.

We are thankful to be promoting more outreach through our ministry, increasing direct and more frequent communication with our congregation. We are thankful for the healings and fulfilled prayers. We are thankful for the opportunity to spread the teachings via experiential classes, meditations and presentations, on a weekly basis. We are thankful for the opportunity to serve. We are so very thankful for you and your participation in the teachings and the endeavors of Robert and Earlyne Chaney. We are grateful that your help and input has made Astara strong and viable for future members to benefit from the books, publications, lessons and recordings. In this season of gratitude we have you all in our prayers with a grateful heart and are inspired by the following excerpt from Earlyne:

“The seasons come the seasons go,
But we shall constant be true,
Because, beloved child of light,
We loved you better than you knew.”
(When We Ascend)
