YOUR MONTHLY BLESSING

JULY BLESSING

“ May the power of Spirit pervade your life and endow it with the Essence Celestial. ”

AFFIRMING MEDITATION

In the calm and silent atmosphere of my inner Self is a shrine where I deepen my connection with the Divine Spirit. I come to this holy place now. -Robert Chaney

THE FOURTH OF JULY/ The World is Better That They Came

Earlyne and Robert Chaney, The Astara Founders, first met on the 4th of July.

“And with the meeting came immediate recognition and vague remembrances of other lives and other labors for the Brotherhood of the White Light.”

Under the law of free will each soul is held accountable for its acts and decisions. The human soul alone in all the universe is so held.

Although the human Monad is essentially divine, its divine qualities and attributes are latent in the personality.

Bringing those attributes to their supreme potential is the ultimate goal.
